Dear Mr. Weisberg:

I appreciate very much having the opportunity of examining the material you submitted on the rough draft of POST-PORTEM: THE SUPRESSED KENNEDY AUTOPSY. While the material is extremely facinating, I am afraid it would not fit into our publishing plans at this time.

My own judgement is that the public may be sated with the plethora of material published on the assasination. Without in any way discounting the validity of your theme, I am just not sure the public wants to read any more at this time. I may be wrong, but that is the way I see it.

All the best to you and your publication plans on this book.

Sincerely,

Harold Roth
